

Solutions For Profit & Growth

Opportunity Interactive, Inc.

Leasing

your equipment offers you

SIMPLICITY

FLEXIBILITY

CONVENIENCE

Take Full Advantage Of The Benefits Of Leasing

- Leasing is quick and easy.
- Leasing covers up to 100% of the equipment cost.
- Terms up to 60 months
- Flexible payment structure.
- Preserves bank credit lines.
- Conserves working capital and maintains cash flow.

As you re-define your business operations, Opportunity Interactive, Inc. will empower your business with innovative sales, management, and labor saving tools. Let an Opportunity Interactive sales representative demonstrate the effectiveness of our products and the value that our teamwork approach provides.

Our Products Include:

- Opportunity Manager™ Retrofit Module—the most complete sales presentation and management tool available.
- Comfort Optimizer™—the most convenient load calculation system available.
- HVAC Personnel Prevue Assessment System—Match people to jobs by comparing work-related abilities, interests and personality traits to HVAC job benchmarks.
- Many more products, including Process Manager™, ACOWIN software, QuickFile™, and Opportunity Planner™...

Visit our web site @ www.opactive.com for a full line of hardware products to enhance your sales and management efforts.

For more information regarding a lease program and line of credit, contact Chandler Kinsey.
